ISO 4217 AMENDMENT NUMBER 117

The following changes are made to 'Table A.1 - Currency and funds code list' & 'Table A.3 - Codes for historic denominations of currencies' of ISO 4217:2001.

1. Add an additional entry in Table A.1 for AFGHANISTAN:

AFGHANISTAN	Afghani	AFN	971	2
-------------	---------	-----	-----	---

This introduces an additional currency Afghani, alpha code AFN, numeric 971 and minor unit 2.

The effective date is 7th October 2002.

The conversion rate is 1 AFN to 1000 AFA. The two codes will run concurrent until 2nd January 2003.

2. Please amend the existing entries in both Tables for EAST TIMOR so that the entity name is given as TIMOR-LESTE. This changes the Entity name to align with ISO 3166-1.

3. Move the following entry for TIMOR-LESTE into Table A.3 'Codes for historic denominations of currencies and funds'

TIMOR-LESTE	Timor Escudo	TPE	626	0
-------------	--------------	-----	-----	---

This leaves USD as the only code for TIMOR-LESTE.

4. Amend the following entry in Table A.1 to:-

FAROE ISLANDS	Danish Krone	DKK	208	2
---------------	--------------	-----	-----	---

This changes the spelling of the Entity name to align with ISO 3166-1.

Continued =>

5. Amend the following entry in Table A.1 to:-

LITHUANIA	Lithuanian Litas	LTL	440	2
-----------	------------------	-----	-----	---

This corrects the spelling of the Currency name.

Regards

ISO 4217 MA Secretariat
